Dennis Waring, ethnomusicologist, music educator, performer, instrument maker, and author of six books, is proprietor of Waring Music, providing music resources for a wide variety of applications. He is a Connecticut Master Teaching Artist and was selected as "Connecticut State Troubadour" for 2003-2004. Dr. Waring has circumnavigated the world twice with the University of Pittsburgh's Semester At Sea program as shipboard ethnomusicologist. He is presently manufacturing musical instruments for the classroom and community and performs regularly with the world music ensemble, Sirius Coyote.
